

**Devotional Thoughts :: 'Gay' Marriage Will Devastate Religious Liberty**

'Gay' Marriage Will Devastate Religious Liberty - posted by sermonindex (), on: 2012/7/20 9:15

A leaked Scottish Government email suggests that gay marriage will have a devastating impact on religious liberty and free speech unless the UK Equality Act is changed.

Some have interpreted the email to mean there will now be a lengthy delay in bringing forward a Bill to legalise gay marriage in Scotland, but this is not necessarily the case.

The picture remains unclear, and the Scottish Government has vowed to make its position known by the end of the month.
