**Does Barack Obama Expect The Upcoming Election To Spark Rampant Civil Unrest? - posted by Earendel (), on: 2012/**

The following article makes me think of the "Coming Calamity" prophecy by David Wilkerson. The potential for race related riots in the coming U.S. election is very possible I think, especially if Mr. Obama is not re-elected.

...watching as usual.

Does Barack Obama Expect The Upcoming Election To Spark Rampant Civil Unrest?

What is Barack Obama preparing for? What does Barack Obama actually expect to happen in November? Does he believe that the upcoming election could actually spark rampant civil unrest inside the United States? The conditions are certainly ripe for civil unrest in this country. A multitude of recent polls and surveys have shown that Americans are angrier and more frustrated than ever. Sadly, we are taking a lot of that anger and frustration out on each other. America is more divided today than at any other time since the Civil War era...
