**The Great Falling Away Today by Milton Green - posted by Gideons (), on: 2005/2/19 9:31**

There has some discussion on the end times apostasy and this book is an excellent resource. I read it some months ago and am going to read it again over the next couple of weeks.

The forward to the book was written by Leonard Ravenhill who said in part "Read it and be blest. Obey its teaching and be liberated."
