The Cup of Trembling by David Wilkerson

Topic:

Description: February 10, 2008 - This is a message about how God intends to handle our fear problem. There are four great fears: 1- Fear of survival and poverty, 2- Fear of losing children to sin, 3- Fear of calamity and terror, 4-The lack of political leaders. God never intended for His people to live in fear. God is a God who pleads the cause of His people. He pledges Himself to us and He puts His words in our mouth to destroy the lies of Satan that cause us to fear. This message admonishes us to keep our eyes on His resurrection power and to keep the FACE of JESUS before our eyes all throughout our days.
