

**SermonIndex Announcements :: The Complete Works of William Chalmers Burns****The Complete Works of William Chalmers Burns - posted by sermonindex (), on: 2012/8/11 17:37**

Saints,

2 very rare books have been brought into the public domain. Peter-John Parisi has done a great work in getting this title and "The Complete Works of Sadhu Sundar Singh" into pdf and free accessible digital format.

I recommend both to you to use for the furtherance of the Gospel and personal edification:

The Complete Works of William Chalmers Burns - From 1839 - 1875

a powerful and wonderful collection; Burns has much to offer us for the sake of revival as they saw God move in mighty ways after he replaced Robert Murray McCheyne, due to his illness. And then went to China to sow the ground for the likes of Hudson Taylor; John Sung; Jonathan Goforth and the revivals China saw in the 1900's leading up to WWII.
