'Tumour' of Israel will soon be destroyed: Ahmadinejad - posted by sermonindex (), on: 2012/8/18 18:04

Iranian President Mahmoud Ahmadinejad told an annual anti-Israel protest in Tehran on Friday that the Jewish state was a "cancerous tumour" that will soon be excised, drawing Western rebukes.

Washington said Ahmadinejad's statements were "reprehensible", while Paris viewed them as "outrageous."

Ahmadinejad's diatribe against Israel in his Quds (Jerusalem) Day address was the latest in a long line to have drawn criticism from Western governments.
