Christian Persecution Preparedness Workshops

The CPP Workshops are designed to help any true believer prepare themselves for the prophesized persecution coming on the last day's church. It is also designed to give anyone who is "apt to teach" some working tools for passing this critical information on to their families, friends, neighbors and brothers & sisters in Christ. The "working tools" are comprised of recommended books, videos and audio messages, along with teaching power point presentations on SPIRITUAL WARFARE, HERMENEUTICS, APOSTASY DANGERS, THE OBSERVE & PATTERN PRINCIPLE, and several others. There is also an extensive list of reputable APOLOGETICS websites with a proven track record of exposing false teachers and their destructive teachings.

Uncle Greg I'd rather you prepare me for Revival and let the "Real" Revival prepare me for the Persecution that will ensue.

I feel the Power of His Resurrection should always precede the fellowship of His sufferings.

"That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death;" (Philippians 3:10).

I still appreciate the good work these Conferences do though. By it you're giving a certain sound so the Body of Christ would prepare.

"For if the trumpet give an uncertain sound, who shall prepare himself to the battle?" (1 Corinthians 14:8).

Wish we have such Conferences in Nigeria.

Very well said, this has been my thought also as all these threads on persecution have popped up on here lately.

When Peter wrote his first epistle the mention of " manifold temptations " was only included so that it would be clear that nothing could steal the joy of a blood bought and Holy Spirit sanctified person. We have a lively hope, an incorruptible and undefiled inheritance, so let's just purpose to forsake worldly desires and deny self-will and let Jesus prolong His days in and through us.

Jesus said that we would have tribulation in this world, but he has overcome the world and He is in us and we are in Him . Praise His name for ever and ever!

In Christ,

Ron

I have spoken briefly with this brother when he was working with me to see if my handset would access the webinar. This brother and his wife are connected to Voice of the Martyrs. So the info from the webinar will be solid.

If anyone knows the name of Richard Wormbrandt and has read his material. Then expect nothing but good teaching this Saturday. Richard Wormbrandt is the founder of VOM.
