**Free Audio Bible New Testament mp3 KJV being added to SermonIndex - posted by sermonindex (), on: 2012/9/14 3:30**

Saints,

We used to have parts of the bible in audio format. Now we are adding the entire bible in not chapter segments but entire books. So all you have to do is download the one mp3 file for the book you are interested in listening to.

So far we have uploaded:

The Book of Matthew  
The Book of Mark  
The Book of Luke  
The Book of John

You can download them now here with others being added soon:
