The River is Rising by David Wilkerson

Topic:

Scripture(s): Ezekiel 47:1-12

Description: August 27, 2006. The greatest awakening of the church is coming in supernatural power. God is going to pour out His spirit and revive a spirit of prayer starting in the pulpits. This river will begin to bring life wherever it goes. There will be a supernatural stirring of gifts of faith and evangelism that have been lying dormant. This river will reach homosexual communities and drug addicted people who are hungry and thirsty. We are destined for the greatest movement of the Holy Spirit and there will be a multitude of fish representing the greatest harvest we have ever seen. The only thing that can hinder the river is unbelief.
