You might be going through a tough time right now, but let me just tell you that problem can't stand against your answer. Your answer is found in the word of God. What is the word of God, it's God speaking to you. It's God informing you of what He has spoken concerning your problem, that's your answer. Understand this, God has already spoken your answer not your problem. And there's no problem that can stand against the word of God. Your answer is much more powerful than your problem. Notice Romans 8:2 says, "For the law of the spirit of life in Christ Jesus has made me free from the law of sin and death." Notice the law of life makes you free from the law of death. What is death, it's the absence of life. Do you remember in Ezekiel 37 when he said the hand of the Lord carried him out in the spirit of the Lord and set him down in the midst of the valley of dry bones and God asked him, "Son of man can these bones live". Notice what God said to him, "Prophesy upon these bones, and say unto them, O ye dry bones, hear the word of the Lord". Notice what God was doing, having him speak life into those dead bones because He said in John 6:63, that his word is life. Don't let dead situations hang around you without speaking life into them. God has already told you that death and life are in the power of the tongue. So speak life into that dead situation and the life of the word will cause that situation to change. Speak the word from your heart not just out of your head. Because it's a natural process, when the word is in your heart it will come out of your mouth and that's when things change (Matthew 12:34,35).
