Intro to me. - posted by DaBookman (), on: 2005/3/1 9:55

HI Everyone! I am in New Brunswick, Canada. I especially like the David Wilkerson and Carter Conlan audio sermons on your site. Do you update those sermons often?

welcome ! Here's a web address for Wilkerson's church where you'll find all their latest sermons in mp3 format for downloading or audio for listening to right from their site (mainly Wilkerson - Conlon - Rhodes) some music there too. WWW.TIMESQUARECHURCH.ORG God Bless, Brother Daryl

Welcome to SermonIndex! Great to see some more Canadians on the site me being a fellow one. As for the Carter Conlon messages to get the newest updated ones it would be good to go to the Times Square Church website. On SermonIndex there are mostly archived older vintage ones.
