"Every Christmas our friends at 'The Jesus Network' www.jesusnetwork.ca in Toronto host the largest outreach to new immigrants in Canada! They distribute 600 Christmas baskets and 50,000 Jesus DVDs to the areas of Toronto with the highest population of newcomers to the country. This gives them unprecedented opportunities to meet people that have never heard the story of Jesus before. Here's how you can help pitch in change lives:

*PRAY - that the Holy Spirit would be working in hearts of new Canadians right now! Each year they meet people who are new to the country and have had Dreams about Jesus or want to follow Christ. Pray they would find people like this again this year!

*GIVE - the budget for this project is over \$75,000. Donate at: www.jesusnetwork.ca/support. Donate personally or make it a project of your church, get your youth or sunday school to sponsor a certain number of baskets or DVDs, give a gift in someone's name as a Christmas present. Be creative and pitch in so people can hear the story of Jesus for the first time!

*HELP - if you're in the Toronto area help pack and distribute Christmas baskets and DVD bags from November 21st through to December 31st.

Pray with anticipation at what God will do again THIS YEAR as they reach out to find that one lost sheep!
