Habakkuk 1:13, "You are of purer eyes than to behold evil, and cannot look on wickedness..."

Revelation 1:5, "...to Him who loved us and washed us from our sins in His own blood."

When God looks at us, does He see wickedness, or does He see the blood of His Son, Jesus Christ, upon us?

Just something to ponder.

God bless.

It sure is. And it is up to the individual where you place yourself. You have no one else to do it for you and you cannot blame another for your lack, either.
