Search SI? - posted by jimmyhudson, on: 2012/12/8 14:02

There used to be a search SI function. Is this still available?

Google search is available.

Go to google and type "sermonindex.net: 'whateveryou'relookingfor'" without the quotation marks.

Is there a way to search SI in a chronological order so that the newest additions appear on the top of the list?

Thank you for your help!

Markus

Yes, there is still a search function on SI!!

Look right above the featured sermon:
CALLED TO AUTHENTIC CHRISTIANITY BY K.P. YOHANNAN

And it says Google Custom Search in the box...
