She has such a beautifully worshipful voice, Frank. And regarding the compositions, I feel as if the soul could float on those peaceful gliding melodies! Please pass our appreciation on to your friend, Aileen.

Just wanted to extend that invitation to all SI folks, brother and sisters will be coming from all over, a meeting of the remnant, seeking the presence of God.....bro Frank

PS Pastor Brian Long is currently the featured sermon.

I would really enjoy going. At this point I don't see how I could, but what do I know? :)

Blessings,

MC

Well, the second half is from video taken in Scotland that was uploaded by SI. I really don't think I have heard the first half before, because if I did, I surely would not have forgotten. Let me know if you find the source.
