Powerful Video - posted by WatchmanVin, on: 2013/6/19 18:33

Brothers and Sisters,

Recently members of the fellowship I attend wrote this song, recorded this song, and created this music video to go along with it. The music video is about the current moral crisis in America along with the current tragic events that have been taking place. The video ends with the hope of the Gospel and a call for this nation to wake up and see that the only true hope in this crisis hour is Jesus Christ! I pray it is a blessing to you and that you share it with others. Here is the link:

This is a powerful video mixed with images (which some are not for the faint of heart). I really like the name, "Faithland."

God bless,
Lisa
