God is a healing God, even though some people may think He is not. But the scriptures says that He is, He is The Lord that healeth thee. If you want to know how the Father is just look at Jesus. Everything about Jesus speaks of his will to heal you. He anointed Jesus with healing power, and with that power he healed all that came to him for healing. His very garment had healing power in it. Just as God established when He said, The Sun of Righteousness would arise with healing in his wings(the border of his garment). His very name has healing power. Like Peter and John at the gate called Beautiful, Peter said his(Jesus) name through faith in his name has made this man whole. Healing, healing, healing and He is The Lord that changes not. I just want to encourage people to know that God is not holding it back, it is his will that you be healed. He loves you.

Of course He is! And as much as everyone desires Him to heal them physically, right this moment, spiritual healing is most important and maybe, just maybe He is trying to reveal something to us through our "light affliction".
