The destination of the true Christian is to become like Jesus Christ. Every year we should get closer to our destination and those who know us best like our family should see it. The life goal of the Christian is to become like Jesus Christ. The Bible has predestination to become like Jesus Christ but the Bible has no predestination to heaven or hell (adapted from Zac Poonen).

For whom He before-knew He also before-designated to be conformed (summomorphous) to the image of the Son (Romans 8:29).

I believe our churches will be much healthier once we are no longer concerned only with decisions to accept Christ but rather with the process of becoming like Him. (Neil Cole in Church 3.0).
