Here are the opening paragraphs of an item from A.B. Simpson that I believe will be a blessing, if you wish to read more, the full article is found here; <https://www.sermonindex.net/modules/articles/index.php?view=article&aid=20546>

I wish to speak to you about Jesus, and Jesus only. I often hear people say, "I wish I could get hold of Divine Healing, but I cannot." Sometimes they say, "I have got it." If I ask them, "What have you got?" the answer is sometimes, "I have got the blessing", sometimes it is, "I have got the theory"; sometimes it is, "I have got the healing"; sometimes, "I have got the sanctification."

But I think God we have been taught that it is not the blessing, it is not the healing, it is not the sanctification, it is not the thing, it is not the it that you want, but "it" is something better. It is "the Christ"; it is Himself. How often that comes out in His Word - "Himself took our infirmities and bare our sicknesses", Himself "bare our sins in his own body on the tree"!

It is the person of Jesus Christ we want. Plenty of people get the idea and do not get anything out of it. They get it into their head, and it into their conscience, and it into their will; but somehow they do not get Him into their life and spirit, because they have only that which is the outward expression and symbol of the spiritual reality.

In Christ,

Ron
