Ted Cruz Says America Needs A Spiritual Revival, on: 2013/7/23 18:02

In an interview you'll only see on The Brody File, Sen. Ted Cruz says spiritual revival is needed in America saying, "I think we're at the edge of a precipice. If we keep going down this path we're risking losing our nation. We're risking losing the incredible oasis of liberty."

The Brody File team spoke to Cruz on Friday in Iowa after he spoken at the Pastors and Pews events in Des Moines. A partial transcription is below along with the video.

David Brody: Do you believe that spiritual revival is needed in this country?

Sen. Ted Cruz: Without a doubt.

I think we're at the edge of a precipice. If we keep going down this path we're risking losing our nation. We're risking losing the incredible oasis of liberty.
