Take heed, watch and pray... (Mark 13:33)

Do you not say, 'There are yet four months, then comes the harvest'? Look, I tell you, lift up your eyes, and see that the fields are ripe for harvest. (John 4:35)

Does not the internet provide vast resources for looking upon the ripe harvest fields of the world? The internet provides an abundant amount of text, maps, photos, audio and video (YouTube, etc.) for viewing the places and people of the world.

Through sin, all of us humans had fallen under a curse and sentence of guilt and death. Now through the gospel of Jesus Christ, there is a path through repentance and faith to pardon and eternal life in the presence of saints, angels and God Himself.
