Recommend sermons by AW Tozer?, on: 2005/3/23 20:28

Could someone please recommend a few sermons by AW Tozer. What has challenged you?

I have heard:

What is it to accept Christ?

As obedient children...

The Path to Power...

Avoiding the World's Propaganda

(these titles may not be exactly right)

Thanks for your help

Hello Stephen

The following were the few I could remember of the top of my head:

He that is of the Earth is Earthly (the futility of resting on men)

He that believeth on me...Greater works than these shall he do

Faith demonstrated (Hebrews 11...I think)

The Doctrine of the remnant part 1 and 2

The "Men who met God" series

James
