PROPHECY 1

Long ago I commanded the church to repent; instead, the church triumphed.

I said, "Love one another;" they heard "Love the church."

I said, "Love one another;" they heard "Love the doctrine."

They thought that right opinions were what I required of them, as if the opinions of men are weighty and have great meaning.

The people of my name were seduced and led astray, not by false teachers, but by teachers whose doctrine was neither true nor false, having no meaning at all.

They became a mighty tree that covers the whole earth. The nations have shaded under their bowers and eaten their fruit. Now the stock is dry, the tree has yielded its last harvest and this night I cut it off at the roots. A sapling will spring from the roots. In thirty-two years I will send the former rain and the sapling will blossom. In forty years I will send the latter rain and the sapling will bear fruit.

PROPHECY 2

Look, Church of Rome, you have served the evil one and called him "Our Father." Here is his reward for your servitude: he will lift your skirts and make you a spectacle for all nations. All who see your hidden abominations will clap their hands over their mouths. The King of Rome will turn his face to the wall and say, "My shepherds stray like sheep, my holy men lie in the dust, my people are scattered on the mountains and no one gathers them. They do not follow, they do not obey." The Church of Rome will burst like an old wineskin, and from the rent will stream fugitives to Zion.

PROPHECY 3

The fire that fell on Pentecost is the same fire that consumed Sodom. The difference was in those who received it: the difference between spirit and flesh. Blessed and holy are those who are born of the Spirit.

Just bought this book! Wow.

.99 on amazon for your kindle.

Wayne,

From 1983 to 2015 is 32 years. And we are getting a huge amount of flooding in the United States. Would you say this is the 'former' rain?

I found this book very interesting and thought perhaps too that Frank Perretti read it before he wrote "This Present Darkness" with the visions of demons congregating around people, churches, and such. I wonder if Frank is from Michigan?!! (hehe)

Well thanks for bringing this back up! Peretti got his ideas from Placebo and Demons by Howard Pittman

I read the whole thing and found it interesting, nothing new but it was good to remind myself again on how real the warfare is. There was so much in it that could be brought out and made relevant for this day it is incredible. Blanket statements I do believe need to be approached with a degree of prayerful consideration because they can end up being an all or nothing type of a deal. I have always approached everything in that God will always have his remnant even in the professional ministry, the organized church, etc...in place in this world. It will be tried by fire but...I think what Jesus said is so powerful ...Rejoice not... Luke 10:20

Notwithstanding in this rejoice not, that the spirits are subject unto you; but rather rejoice, because your names are written in heaven.

I can recount a very vivid dream I had in a time when I was angry at God and turned away from His presence (a long time ago). I saw in a dream (I won't go into it all here) a large fallen angel and he said to me in the dream, "O' there you are" as he proceeded to bind me and escort me to the top of a tower to accuse me before the throne. That time in my life made me realize a few things, Our lives are hid in God..... Col 3:3

For ye are dead, and your life is hid with Christ in God.

and the demons can not even see us as long as we follow after the Lord. I only share this because there are some who would read this and have personal hang ups and or possibly try to interpret their experience/life in this circumstance and how God dealt with me way back then. This was for me but I do share it so whoever wants to think on it can prayerfully look at it and see if it may be something they can use to minister to others who may seem to be bound....know thy enemy
