Dear Saints,

One website I check for stories of the persecuted says since the time of Christ over 43 million Christians have been martyred. One half that number have been in the last century alone. Thus from about 33 AD to 1900 AD about 22 million believers have been martyred. Then from 1900 AD to 2000 AD about 21 million or so believers have been martyred. One can only imagine how many precious saints have spilled her blood for Christ in the last 14 years.

I do not mean to be clinical in these numbers. Each number represents a precious soul laid out on the altar for Jesus. If anything the increase of martyrdom of believers underscores the urgency of the soon return of Jesus.

As such the urgency for us is to keep lifting up the persecuted church in prayer. And to call out for the end time harvest of souls. Thus I invite you to come on Persecution Watch tonight and pray.

Time of call is.....

9 p.m. Eastern

8 p.m. Central

7 p.m. Mountain

6 p.m. Pacific

In His bonds,
