Looking for a Paul Washer sermon - posted by [nolongerlive \(\)](#), on: 2014/4/26 17:16

I shared with a friend the other day an amazing sermon by Paul Washer where he teaches the reason as to why Jesus was in such anguish in the garden of Gethsemane, due to his separation from the Father, not because of fearing whips and the cross. Does anyone know what the title is of this sermon? I would love to send it to a friend. Thanks
