Confess your faults one to another, and pray for one another that you may be healed. The effective fervent prayer of a righteous man avails much. (James 5:16). Heavenly Father.....I thank you LORD that you sent your only begotten Son to die on a cross in our place that whosoever believeth in you should not perish but have everlasting life. He who believes in you is not condemned. Thanks Be to GOD!!!!!!! PRay lord God that you would comfort Karl's heart that he would be confident of your forgiveness and your acceptance of him. LORD I pray Lord that you would bring Healing to Karl through your word breathed on by your Holy Spirit. Lord you have said in your word many are the afflictions of the righteous but the LORD delivers him from all of them. Lord I pray deliverance to Karl according to your word. LORD Jesus you are the almighty God with you all things are possible. LORD I pray that you draw KARl to seek your face even more diligently. I pray that you will order his steps in the word and lead him in the way everlasting. the Fear of the LORD is the beginning of wisdom and knowledge of the holy is understanding. I pray LORD that you would increase KARl's fear of you that he will not depart from you. I pray lord that you will send your word forth to him in the power of your Holy Spirit knowing that your word does not return void. I thank you Jesus that you hear my Cry LORD I lift up KARl to you LORD. HAVE your way in his Life. Empower him in the innerman LORD to be dead to self and to live for you alone IN JESUS MIGHTY NAME!!!! I pray lord that you will touch the hearts of everyone who reads this and inspire them to express their agreement with this prayer in writing. In Jesus name I pray and I thank you that you here my prayer LORD I pray that you be glorified by the answering of this prayer and I look forward to the good report in the future Thank you Jesus AMEN.

My Dear brother Frank

It's so good to hear from you and thank you for that prayer, I am in agreement with "all of the above".

I haven't seen you since our last fellowship uptown. But I am sure the LORD has ordered your steps aright as well.

Deliverance has been ongoing through out my life as a Christian. I wanted to be instantly delivered. But I have found that the more I think in one direction in what I think the LORD should do, He takes another direction, totally opposite to mine. His ways are truly above my ways.

Over time He has delivered the "little foxes" that have been spoiling the vine. I witnessed the "longsuffering" of the LORD and have also seen the impatience in man. Perfection or Maturity never comes without a price, and even counting the cost is something that is done over time.

One of the great truths that we can hold on to in the day and hour we are living in and that is, God is in no hurry as we are. Martha was always in a hurry to get things done, but Mary found the best part, to wait and just listen, an art that is long been lost or forgotten.

Our Father is also our provider. He provides the strength to endure temptations, and supplies an abundance of grace to keep my hormones at bay.

I was so thrilled to see your post, I hope that you keep posting as much as you can, even though you are a new believer, yet the LORD has been showing you things and It would be nice for you to share them here.

"Out of the mouth of babes and sucklings thou hast perfected praise".

This forum appreciates you and is in agreement with your post, and I am grateful for that.

Sincerely in Christ

Karl

Frank

Thanks bro, but alas, I heard this message not too long ago.

I've been uptown, but have not seen you bro. Where art thou?

Are you still planning that trip to New York, to see Wilkerson and Conlon? I told a friend of mine, you know him Brian who sells hotdogs at Kings Square, and he was very interested in going too. Have a chat with him. He loves to talk, so be prepared to listen.

See ya

Karl

I would ask that conversations that are more personal in nature such as this entire thread could be done through private messages or email. Thank you for respecting this in future posts.
