Hi all,

Please pray for our team, we are heading up into Africa on a mission trip. Please pray that the border crossings would go smoothly and that the vehicles would all be protected, we are driving about 2 750 Km (1 800 miles) so we are asking for Gods gracious hand to be with us.

Most of all please pray that we will accomplish all that God wants us to do when we are there.

We will be a total of 2 weeks ministering and living in tents so it should be quite allot of fun. I would really covet your prayers at this time.

Blessings in Christ Jesus,

We will be praying for. When are you leaving?

Tomorrow night (15 April) and coming back 30 April. Thanks for asking.

In 1983 (was it that long ago?! seems like yesterday) I hitchhiked from Lesotho to Malawi and back, spending two weeks camping on the shores of Lake Malawi. Even though I was on a shoestring budget, it was a fabulous place and the people were very nice. One of my fondest memories of Africa.

I'll be praying for you and also be very interested to hear about what you find there. My trip was before the AIDS crisis and I understand it has hit Malawi very hard. I also understand that poverty has significantly increased since I was there.

As they say in Sesotho (language of the Basotho people who live in Lesotho)

"Salang ka Khotso"

which means,

Go in Peace
