I just found this website about "The Practice of the Presence of God" a few days ago. (actually i was looking it up so that i could show someone something about who he was ;-) wink)

I have really enjoyed the book over the last couple of years.

Anyway, I wasn't sure if anyone here had seen it but it is a really great resource. It also has many good quotes from Tozer, Murray, Asissi, etc...I don't know why I hadn't found it before.

Thanks Chanin for that link. I read his book many years ago and it always stayed with me. His simple faith when he had to work doing mundane things in the kitchen. I took a lesson from that and applied it to my life when I read it. It was only yesterday I searched on the net for Bro.Lawrence and found another website, but this link is better.

That is one of my all time favorite books. As a babe in Christ I read it and have practiced it ever since. It's one of the books I give away as I travel. God Bless and thanks for the link----Bro. Daryl

Great resource site Chanin, thanks for pointing it out. That book was a blessing to read and I do think I should get back to it. It's a joy to go back and back to the same books even yearly.
