In need of prayer for provision - posted by beatenpath, on: 2014/6/27 2:25

Hi guys,

I'm in need of prayer for provision over housing. I have until the end of next month to find a new place to live. Also I'm i n need to slim down on my possessions and have posted a few items on craigslist. Thank you.

I see no one has responded to your request for housing provision, Beatenpath. I didn't want to say that I'd be praying in case I am not faithful to pray...there are so many needs....But I am praying now as I type this - God surely knows your n eed, and He is the One Who goes ahead of us. I am asking Him to remind me to pray. Please let us know how He ans wers....God bless you!
