A colleague working for CIVIC, Marla Ruzicka, was killed in Iraq yesterday. I met her when CIVIC began as a sponsored organization of my company, the Friends Committee on National Legislation. She was a remarkable, fierce humanitarian working to get the U.S. to provide resources and assistance to Iraqi civilians injured in the war. Please pray for her and her family.

It is sobering to see the ultimate true cost of doing something you believe in.

Will agree in prayer for the family during this tragic time.

My boss, Joe Volk, writes about Marla here.
