Hi All;
Could you pray when you get the chance for my brother Richard who has something behind the eye that has caused partial blindness in one eye. He is seeing a consultant at the start of the week and we dont what may happen. Very Worried and Thanks Staff

brother the hardest part is to just believe that you have received it and expect to see results ,if you like look on you tube for curry Blake's ... Divine healing tectnition training , it may help you out i dont agree with everything he teaches but ,s ome of it is very biblical and has help my faith in healing
