HIS VOICE by David Wilkerson - posted by sermonindex (), on: 2014/10/14 7:16

One of the greatest blessings a true believer has is hearing and knowing the voice of God. It is possible to hear God's voice today as certainly and clearly as Abraham and Moses did—as clearly as did Samuel and David—and Paul, Peter, the apostles, and John on the Isle of Patmos! God has promised to make His voice clearly known for one last time during these end days. He has given us a promise and a warning about hearing His voice. God is going to bring together a holy, separated remnant into spiritual Zion and make His voice known to them. “But ye are come unto mount Zion, and unto the city of the living God, the heavenly Jerusalem, and to an innumerable company of angels” (Hebrews 12:22).

God has this message for all who have been called out: The voice of God that has shaken the earth in past generations will be heard in power again in one last shaking! “Whose voice then shook the earth: but now he hath promised, saying, Yet once more I shake not the earth only, but also heaven” (Hebrews 12:26). Here is God's warning to His holy, believing children. “See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven” (Hebrews 12:25).

Why is God gathering together a people out of the dead churches? Why is the Spirit crying, “Come out of Babylon, my people! Partake not in her sins”? It is because God must have a people (a Zion people) in these troubled last days who are not confused by false doctrine. These are sheep who do not follow false teachers, who know their Master's voice. God speaks to them clearly and certainly, and they live by His voice! They are directed by His voice, comforted by His voice, guided in all things by His voice! The one great characteristic of a holy people is that they are not mistaken about God's voice. They know it—they hear it—they are governed by it. It is sure, steadfast, and unmistakable!
