Bring Hope to Nepal Earthquake Victims - Video Update from K.P. Yohannan - posted by sermonindex (), on: 2015/4/30

Video Update from K.P. Yohannan

<http://www.gfa.org/earthquake/nepal/>

Brother K.P. talks about the impact of the earthquake on the people of Nepal, the relief work that is happening, and how we can pray for and support those undergoing this crisis. After watching, you can download the video to use in your Church Service this weekend as you pray for Nepal.

Information from the field:

1.4 million people effected by earthquake are in need of immediate food and clean water.

Death toll has surpassed 5,000, and it's estimated to reach 10,000.

An estimated 8 million people have been effected by the earthquake.

Please pray for:

Comfort, strength and courage for all those suffering from the earthquake.

God would give wisdom to the officials involved.

God would give clear guidance to the Christian workers and leaders on the field.
