Gospel for Asia-supported workers were on the ground when the earthquakes hit. They were able to provide aid immediately. With a wide reach of 450 churches and 20 Bridge of Hope centers, we are in a unique position to provide aid where others cannot.

Read firsthand reports from those who are in Nepal, and read about the relief efforts as food and medical supplies are being provided. Please join us in this long-term effort as we provide for the needs of the millions affected.

Let us help and pray for this country:
