

SermonIndex Announcements :: Server Upgrade Sept 28th

Server Upgrade Sept 28th - posted by sermonindex (), on: 2015/9/28 18:57

Saints,

Sometime tonight around 11pm EST or so we are going to upgrade the server software and do a few changes so the site might be down for just a short period of time.

Do say a prayer for all to go well, thank you.
