Thoughts On Faith and Prayer - 15:22 minutes
by Carter Conlon

September 1, 2015

Jesus has given us power through prayer to pull down the strategy of darkness that attempts to defy the honor of Godâ€™s name. In these difficult times, remind yourself that we have supernatural power, when we pray, to demolish everythi
ng that exalts itself above the name of Jesus.

Thoughts On Faith and Prayer

Victory is ours, when we simply make the choice to agree with God. If you want freedom, determine in your heart to get up and go with God. When we pray, God will move heaven and earth to answer our prayers.

Thoughts On Faith and Prayer
Teresa Conlon

September 15, 2105

When we get together to pray we donâ€™t have to be overwhelmed, because God answers prayer. The God who created us, is the one we are praying to. So letâ€™s come together in humility, confessing our faults one to another and pray fervently as we remind ourselves who we are praying to.

Because of the promises of God, we can be assured that in moments of our deepest darkness, the greatest victory will come. No matter how dark it gets, there is light, for Godâ€™s people. Isaiah 60 promises us that in the midst of gross darkness the Glory of the Lord will rise upon us.

Thoughts on Faith and Prayer
By Carter Conlon

September 29, 2015 â€“ 23:19 minutes â€“ Acts 9

How can we make a difference in this society? Awakening begins when we go into the prayer closet and begin to ask God for a soul. As you go about your day, God will lead you to the very people whose hearts, He has been speaking to. God has a plan in these last days and it includes partnership with you.

Jesus Always Gets the Last Word - 26:48 minutes
by Carter Conlon

December 22, 2015 - God doesn't have to say much, but what He says has to be obeyed. We need to know what God says about things, because only what God says matters. Whatever has been spoken about you or over you can make you hopeless, but the only thing that matters is what God declares you to be. Jesus always has the last word.

Lysa,

Thank you for recommending this prayer meeting at Time Square Church.

The praise and worship brings us into the presence of God. Praise God for the songs about the blood of Jesus.

There is fervent prayer going up here for the needs of the people, and the intercessors are praying Spirit led prayers, and praying the Word.

If churches would do this in their cities, you would see some tremendous changes taking place.

The pastors of the cities should be leading the prayer in their churches, but if they are too busy, allow the intercessors to do it.

Jesus Said "Whatever" 16:30
by Carter Conlon

June 14, 2016

Jesus said for us to, "ask whatever." Faith is believing in the character of the one who speaks the word. God's words have the power to create. The ultimate reason we should ask God for something, is for the sake of others. We are in a "He prayed again" moment in history, like when Elijah prayed for rain and everything was dry, he prayed again and the earth produced its fruit "the fruit of the earth is saving the lost. We are also in an, "ask whatever moment." Whatever God has placed deep in your heart, ask with a mustard seed of faith, believe, and you will receive it.

What are some reasons we don't get our prayers answered? One reason is that we have a preconceived notion of what the answer will look like. In the process of prayer, God will beckon us to leave where we are and go where He is leading us so His plan can unfold in His way. Don't box God in, give up your own ideas about your life and surrender to His ideas for your life, for His Glory.

Are you bent beneath a burden of shame, guilt or finances? The Lord helps those who are cast down. God is teaching us that we do not have to figure it out because He will show us what to do. Cast your burden on the Lord and He will sustain, establish and support you.

by David ONeill

August 23, 2016 â€“ This is a word of encouragement for those who have been waiting on God, praying and fasting, yet your prayer is not answered. In seasons of waiting, God is calling us to seek His face as we sit at His feet. Waiting on God means coming to an altar and surrendering all. As you wait, donâ€™t stay idle, take up a towel and be of service to God in ministry.

Thoughts on Faith and Prayer - 21 minutes
by Carter Conlon

August 30, 2016 â€“ What will God do to counter the darkness of this society? The scripture says when the enemy comes in like a flood the Spirit of the Lord will lift up a standard. A standard is something God does that becomes a sign to show people of another way to live. We are the standard God is going to raise up. We are the light of the world. If we are willing God will take us from where we are and do something wonderful in our lives to glorify Himself.

September 6, 2016 â€“ We are in a very difficult moment in history and there are so many of us that are going through a storm. God is calling us to get up from the common thought of the multitude and learn the lessons He desires to teach us in the midst of our storm. In Christ we are going to get through the storm because He has overcome everything that threatens to drown you. Jesus will give us the same confidence that allowed Him to sleep through the storm. Put everything in Godâ€™s hands and Him for the power to rest in the storm.

Thoughts On Faith and Prayer â€“ 13:54
By Patrick Pierre

September 13, 2016 â€“ As the redeemed of God we have a reason to sing. When you know youâ€™re saved, forgiven and made clean because of what Jesus Christ did for us on the Cross we can sing a song of praise that defeats the devil. We donâ€™t have to be afraid of the devices of the enemy because God is our rescuer and we stand complete in Christ. We are no longer under condemnation and we are free to sing praises to our God who is the same yesterday today and forever.

God Is Guiding You. Don't Stop Now. 12:47

September 20, 2016 â€“ Even though God love us, He will still allow us to go through a desert experience. It doesnâ€™t matter how hot or difficult your wilderness experience becomes, God is still leading us and He is working all things out according to His plan. After a long stormy night, God will bring about a great deliverance for you. Stand still, God is fighting for you and the end result will be glorious.

September 27, 2016 â€“ So many people are looking for miracles, but they never enter into the work of God. There are times when we need to be led out from where we are so God can touch us. When God touches us, that which is important to His heart, becomes important to our heart; we begin to see people the way He sees them and the miraculous breaks out.

Jesus said He saw Satan fall like lightening and those who trust God will be empowered to cast down the devil. Is it possible that we've complicated things and in doing so lost the simplicity of where the power of God is? Jesus appoints us to proclaim His power, healing and deliverance, everywhere we go. As we go, He will provide everything that we need. Satan's kingdom is broken down by ordinary people who choose to trust Jesus.

We are a chosen people and God has given us precious promises to make us what He's called us to be. Belief In Jesus Produces Life
Patrick Pierre

The work of God is to believe in His Son Jesus. We can never please God through performance. It is through faith that we are accepted. It is by believing in Christ that we have life.

Thoughts On Faith and Prayer
Patrick Pierre

In life, our situations can cause us to be so overwhelmed that we become feeble, faint and lose hope. When the enemy rises up against you and you're at the end of your natural strength begin to cry out to God. He will be your rock and your refuge and He will not allow your situation to overtake you.

Do You Believe?
Carter Conlon

We are living in a day when society is hopeless apart from a divine move of God. There is power in prayer. When we choose to live without hypocrisy and seek God with a sincere heart, the devil will tremble. Do you have the courage and the kind of faith that believes God will lead the people we pray for right to His House? Ask and believe, then watch what happens.

The Joy of You
Carter Conlon

Jesus went to the Cross for the joy set before Him, that joy is you! Jesus saw you far beyond the moment of the Cross, He saw you walking with Him forever. Today we are encouraged to run the race with endurance. It won't always be easy but we must press on. The work Jesus initiated in our life He will complete.

Thoughts On Faith and Prayer
Carter Conlon

Are you hungry for more of God but you don't want the place where you are to change? If you're desperate for more of Jesus, God will answer your cry by shaking the place where you are, and fill you with His Spirit and give you boldness to speak to others about His Kingdom.

The Willingness To Forgive
Carter Conlon

The kingdom of God is a kingdom of forgiveness. When we choose not to forgive we are prone to make destructive life choices. When we are willing to obey God in this matter, there is a faith that is tied to forgiveness that can move mountains. Don't allow offense and bitterness to lodge in your heart, make the choice to forgive.

Where is Your Faith?

Carter Conlon

Jesus is always inviting us into a deeper faith. There is incredible power in the speech of Jesus. Darkness cannot resist the power in God's voice. If you find yourself in a storm, don't panic in your prayers, whatever Jesus speaks will happen. Jesus said we are all going to the other side and because Jesus spoke that we can rest in the storm.

When Prayer Becomes Messy

Carter Conlon

Jesus wants to take us beyond the borders of the imitations of our faith. When we come to Christ, there are certain practices we can put away easily but there are also practices that find a lodging place in our heart, and get inbred in our character. How desperate are you for freedom? When Jesus shows up at a prayer meeting, things can get messy before we get the breakthrough. Come to Jesus with an open heart and if you believe that all things are possible, victory is yours when you call on the name of Jesus.

The Virtuous Will be Blessed

Carter Conlon

26:36 minutes

When a society chooses to obey God they will be blessed, when a society chooses to reject God they will be cursed. God wrote one song about Himself and the lyrics to this song is, â€œGod is good and His mercy endures forever.â€• It doesn't matter how dark the times get if you make the choice to live for God, your life will be protected and blessed by the hands of a loving Father.
