Australia being hit by political Christian Haters - posted by crusader (), on: 2015/10/3 21:50

watching a report this morning about a pro life speaker being stopped from entering Australia because "they would upset the abortion community" is very sad indeed. the person that pushed for this action also is pushing for same sex marriage .

It saddens me that this country is being run by a minority that is propped up by our media and when we elect a leader because of his view points. the government then over throws them with out our consent and puts in who they want.

Years ago in the police force a lecturer was telling me why the new terrorist laws were dangerous being implemented in our country as they can be easily twisted for other issues. We are now seeing the "hate crimes" because of terrorists, being labelled towards Anti-Abortionist Groups and anti-same sex marriage groups.

I knew that it was a slippery slop but i didn't realize it would be as quick as it is happening and right in front of everyone with little protest.

I would say come over to the U.S. but you might think you never left Australia. crusader, what is happening is the world system is consolidating, circling the wagons and through global social engineering, pushing global humanism. The elites think it is their only way of controlling 8+ billion people. Any belief that goes against their global humanism will be marginalized at best and eradicated at worst. Just a sign of the times.

Woe to those who call evil good, and good evil; Who substitute darkness for light and light for darkness; Who substitute bitter for sweet and sweet for bitter! Woe to those who are wise in their own eyes And clever in their own sight!

I believe judgement is coming to Australia, but remember that judgement begins in the house of God and if it begins with us first, what will be the outcome for those who do not obey the gospel of God? AND IF IT IS WITH DIFFICULTY THAT THE RIGHTEOUS IS SAVED, WHAT WILL BECOME OF THE GODLESS MAN AND THE SINNER?

Karl, Lets hold on to Jesus and look to Him alone! Amen!

Blessings Steve

Hi All

totally agree with replies, people are just so blind to whats happening and my flesh wants to just say "Wake Up" but my spirit knows that they are spiritually blind to what is coming and only God can unveil their eyes to see the truth. I can see how Noah would have felt with everyone not preparing for the flood and living day to day with out a care for the future. I am thankful that the Lord came into my life and i Pray that God uses me to lead people to the truth.

But we see what is happening. The powers of darkness that have been restrained are being released.

No accountability for anything, anymore.
