If you have been blessed by this ministry please consider becoming a 'ministry partner' which just entails that you contribute **\$5US a month to help** keep this ministry going.

EDIT: Here is a link to the new support page - SermonIndex Support Page

This website started about 1 year ago and The Lord has really blessed the growth and addition of old vintage sermons. There have been **many** praise reports and thankful emails, posts, etc that have greatly appreciated and grown closer to God through the sermons on the site. In the first year alone there have been an **estimated** 1 Million+ Audio Sermon Downloads. I am looking for *50 people* to support this site for just \$5US a month. I want to continue to give these sermons away for FREE not being hindered by money and cost to do this. Prayerfully consider it. email sermonindex@msn.com with any questions or comments! your questions are welcome.

The above image shows where on the front page you can click to sign up as a 'Ministry Partner' and also be able to view and see how many people so far have decided to join also.

Here are some other threads explaining more about the ministry and the need for support. (post a reply to this message or email also with any questions that you are wondering about).

Hi Greg

Glad to see we are now half way to your goal.

Yes there is some support coming in, but the costs in running this site is increasing as traffic and download bandwidth increases. There is a NEED for more support that I am praying about daily. Also I am taking the steps to go non-profit, hopefully that will be an help for people to want to commit to support this ministry.

Dear Greg,

It would be my pleasure to be a supporting member - I just object to doing it on-line. If you have a land address I could mail a check to, my check will be immediately in the mail.

Due to the theft of my information by a hacker, I've even changed from one isp to another because the original could not accommodate a semi-annual or annual pre-payment arrangement. I'll no longer place any of my credit card or bank information on-line. Praise God, I found an isp who would allow me to do that.

Even though your site is a secure one, I have to tell you, all the sites I did business with were secure ones and my credit card info was stolen anyway (a credit card used ONLY on-line, by the way).

So, please publish an address or a PO Box number and I'll send you my grateful support.

Hi RickyLynn, This is wonderful that God is leading you to help support this ministry. All the credit card processing is handled by www.paypal.com its a secure server that handles millions of transactions a month, and I believe is owned by amazon.com and would have the same level of security. Yes, you can mailout a cheque to me, the contact information is on the (<https://www.sermonindex.net/modules/contact/>) Contact Us page. Please also note that you will have to make the cheque out to "Greg Gordon," I am still in the process of turning SermonIndex into a registered business or non-profit. Thanks and God Bless you, please also be a prayer partner with this ministry:
