

**Miracles that follow the plow :: Mother needs home****Mother needs home - posted by Lee500, on: 2015/10/14 14:29**

My mother has been looking for a place to live for the last two months and hasn't been able to find a place. Please pray that my mother will be able to find her own place. My mother has never been through anything like this before and it is really stressing her out. The rent is very expensive in the State that we live in. Thank you all for your prayers.
