The "Government Surveillance Office", probably is not going to warm up to this request/demand.

The right to barter will also be in danger, someday.

"The right to barter will also be in danger, someday. "

not if you know to operate in the black market, and have been hoarding base and precious metal coins.

Knowledge is very important. A lot of people are saving and storing a lot of things away but don't know how to use them.

One of the most prolific websites is TheSurvivalMom.

Great article here:

The #1 Reason All Your Preparedness Could Be In Vain
