Hi Every1

I also just registered on the site. Reside in South Africa. :-D. Love the Lord and am involved in ministry.

God bless & email me if you like.

Hi Trevs,

Welcome to Sermonindex!

Since I heard Keith Daniel, South Africa associates me with him, I started to love your country, reminding me of this dear brother. Have you heard about him? I think that Andrew Murray was also from South Africa.

We will be glad to hear more about you and your country. How is christianity there?

God bless you

Kire
