And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death.

Maybe someone has a family member who could benefit from this.

Blessings

Thank you for sharing this. I look forward to seeing it. New Age has penetrated Western culture so much, I think it's possible to miss its many influences. Bless you.

Sounds like this man has only been converted recently, he's doing a great job of exposing the new age movement, but wait till he finds out how much of it has crept into the church, no doubt he will expose it as well, and be accused of being judgmental ...

I hope Christians who are in search for a celebrity to follow will leave this man alone and allow him to mature before 'get popular' and destroys his faith. Hoping too that a mature person will take him under his wing and mentor him. Scripture warns us about novices and how they can easily fall through too much exposure.

Wonderful testimony.

Amen, Gary. Very subtle how it has infected the Church. I'm sure this person will recognize it, instantly. New Age proponents have found good soil in the Emergent Church garden and the Emergent Church has become more and more accepted by mainline denominations. A little leaven, leavens the whole lump.

Hi Sandra

My thoughts as well.

Maybe there is more Grace as time is running out ..... to compensate for his lack of maturity.

I was really blessed by this testimony.

I was startled by his sudden move into refuting the New Age and reminded of a two part sermon by Keith Daniel. I tried to find it but couldn't locate it in the sermons.

Does anyone know the name of the sermon? It warned about Christians freed from the shackles of satanic worship from entering the fight too quickly and succumbing to the enemy again and being worse off than when they started. Keith shares a few testimonies of men and women who freed but then thrust into the limelight to give their testimonies and shuffled around here and there exposing the darkness.

Keith commends that these new brethren go into obscurity and become mature, bearing good fruit before standing before men. This can be seen clearly in the life of the apostle Paul where he went to Arabia and the Lord opened the Scriptures to him afresh. He was established to withstand the attacks of the enemy.

Does anyone know this sermon and have it in their personal collection? If so, please send it Greg so that it can be re-added to the site.

This is the message I was looking for. It's very sobering and gives clear instruction for the fighters and the freed. War is war.

Protection from the Power of Satan by Keith Daniel

Topic: Satan, Warfare, Holiness

Scripture(s): Job 1:6-8, 1 Peter 5:8-9, James 4:7

Description: Brother Keith Daniel shares about the necessity for a holy life before entering direct combat with the enemy. He examines the testimonies of some he has known about who have given in to men's lust for novelty and titillating stories and fallen back into satanism. There are also examples of men who have been thrust into it and lost control because they did not stay grounded. An important message for every saint.

Thank you Jeremy for that sermon by Keith, it was certainly worth hearing.

I absolutely agreed that a new believer should not be in the limelight and needs time to mature before public exposure, so a very good warning.

However, what he said about the Blood of Christ was a concern to me. This teaching is very much popular in the church today but I think they are mistaken. Keith did say that what he had experienced and seen had no doctrinal backup and he is right: There is nowhere in the Bible that says that we are to claim the Blood of Christ as protection from the devil.

**Miracles that follow the plow :: From New Age to Jesus: A Testimony**

It has probably come from the verse in Ex. 12:13 "When I see the blood, I will pass over". That is, the applied blood, but the primary action of the Blood of Christ is TO CLEANSE US FROM SIN.

It is only when we are CLEANSED FROM ALL SIN, that the devil will flee from us. Notice the verse says first of all that we are to submit ourselves therefore unto God and the devil will flee from us.

Unfortunately many believers are not submitted unto God and that means absolutely; they have at least one issue where they struggle and do not have victory. This lack of victory in any area gives Satan ground in them. They are outside of the Blood. No matter how much they chant the phrase Keith gives, it is meaningless, though Satan will let them think that they are being successful.

Satan very much does not want believers to know that any sin in their lives must be dealt with by the Blood cleansing them and be the means of God giving them a pure heart and clean hands before they can fight in spiritual warfare.

Satan is so clever in his deceptions that he will go to no limits to let them think that they can chant a phrase and win. He will even give them victories to mislead them.

If we are cleansed by the Blood we will not have to do the chanting and especially it will not count to do it for others. They must be cleansed by the Blood as well to be in good standing with God. We will be wearing the armour of Ephesians 6, all of the time, not just when we decide to put it on. Once on it is supposed to stay on. The helmet of salvation must remain on to stay in the kingdom.

Sorry I have been missing posts. Please remind me if anyone is waiting for a reply.

Thank you for this! I 'liked' his FB page so I can stay updated and I sent this to my son who needs to hear his testimony. If you think about it, pray for my son, Samuel that he will listen to it and the Lord will breakthrough.

God bless you!!

Oh brother,  
I truly believe I was led to read through this thread just to hear Bro Keith's message.  
Thank you, thank you, thank you!

Continue to pray for this brother. He recently released a video detailing his purpose in exposing the New Age.
