

**Scriptures and Doctrine :: The love "of" God**

The love "of" God - posted by JFW (), on: 2016/5/16 10:37

Brothers and sisters,

I'd very much appreciate feed back/push back on this (for me)newly discovered topic...

Whilst studying out some other scriptural topics in 1 John a couple of months ago, the Lord directed me to Romans 5:5b and then back to 1 John 2:5,9,10,15 as well as other verses...

I'd always considered the phrase "the love of God" to be His love for us but have seen it in an entirely new light and now understand this to be His love for His Son. This has really changed allot in my understanding and has me very excited!

Has anyone/everyone already understood this to be so and I'm a "Johnny come lately" on this or is it a fresh concept to you all too?

If anyone feels led to read over these verses and offer their insights I'd be grateful:)
