Anne Graham Lotz: America Is Entering 'Last Stage Into the Abyss of God's Judgement" - posted by sermonindex (), on: 2016/5/2

WASHINGTON — Billy Graham's daughter, renowned evangelist and author Anne Graham Lotz, told a gathering of pastors on Thursday that the United States has entered the "last stage" of the "downward spiral" into the bottomless chasm that is God's judgement.

During her 25-minute speech on the "urgency to reach the lost," Lotz warned that God is abandoning America because the country has embraced sexual immorality and entered into an era of "sexual depravity."

As Lotz has long called on Christians to repent for the sexual revolution and the advancement of LGBT propaganda, Graham asserted during her speech that educating children about evolutionary theory is another reason why God is issuing judgement on America.

"The wrath of God is being revealed from Heaven against all the godless and wickedness of men who suppress the truth by their wickedness.' That is what is happening in America," she explained. "For although they knew God, they neither glorified Him as God or gave thanks to Him because their thinking has become darkened. Although they claim to be wise, they became fools that exchanged their moral God for images made to look like mortal men, birds, animals and reptiles."

Lotz reasoned that Romans 1:23 is referring to evolution.

"That's evolution and our schools teach evolution as fact and Creationism, if it is mentioned, it is sort of a fringe theory. Therefore, God gave it over," Graham said. "God just backs away and gives us over in His first path in this downward spiral to sexual immorality. That is the sexual revolution, That is free sex, which actually is very expensive."

"When we refuse to repent of our sin and turn to God, then in verse 26, God gives us over to sexual depravity. Which is what we see all around us today," she added. "Then, we refuse to repent of our sin and turn to God."

Lotz then cited Romans 1:28 to argue that America has entered in the "last stage of this downward spiral into the abyss of God's judgement."

I can't help but agree. I find myself arm-in-arm with Anne and Franklin Graham. It's time (passed time) for the true church to stand up and act like it.
