Please pray for a friend. His name is Mike - he is 23. He just discovered that he has advanced cancer. We are praying for a miracle. Your prayers in the past have been deeply cherished and again I would appreciate your prayers SO much !

God Bless,

Stephen

hi brother,

i would be glad to pray for your friend. may he find the truest peace in Christ as he puts his hope and trust in Him.

"we wait in hope for the Lord,; He is our help and our shield. in Him our hearts rejoice, for we trust in His holy name. may Your unfailing love rest upon us, oh Lord, even as we put our hope in You." psalms 33:20-22

in Christ,
arielle
