Trump's Christian advisory board....., on: 2016/6/24 21:58

I was hoping to see Paul Washer on the list:(

False teachers Ken Copeland and Paula White are just two of the people on the board.
Will any of these leaders sit down and have a heart to heart with Mr. Trump and tell him to repent?

This is troubling...

"The list also includes Johnnie Mooreâ€national spokesperson for My Faith Votes, one of the organizers of Tuesday's largely evangelical meetingâ€and the Rev. Jerry Falwell Jr., president of Liberty University. Falwell had hailed Trump in the meeting: "Mr. Trump is a bold and fearless leader who will take the fight to our enemies and to the radical Islamic terrorists."

I am sure Trump will do that, but should Christians be disagreeing with Scripture which says our real enemy is not flesh and blood but Satan? (Ephesians 6)

If man is the enemy of the Christian, where will it stop? Who will be next to threaten our lives and stuff?

I would hope there are a couple of persons on the list who would speak the unvarnished truth. There are at least a few I know who **should**-- whether they will or not is another issue.

What strikes me is the fact that several of these mega church and large church pastors can't effectively shepherd their own congregations because there are simply too many people in them. But one man can have enough worldly gravitation all mass about himself to pull all of them into some sort of board organized around himself.

The wicked kings of Judah amassed a very respected list of prophets and counselors around them too. God rejected every single one of them.

"For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows." 1 Timothy 6:10, KJV.

"When the people find that they can vote themselves money that will herald the end of the republic." Benjamin Franklin

No amount of "Christian" counsel given to an obvious "unrepentant" leader will slow down the moral descent of this "republic".

Exactly, TMK. We are instructed to pray for those in authority. I shudder to think how bad Obama could have been without the prayers of the Church. Whoever becomes President, the Church must continue to pray for him/her. The Church through criticism and accusation turn men away from God, or through prayer, turn men to God.
