Please pray for reconciliation between some believers and the church I attend. The youth minister and I are going to go visit them and talk with them this afternoon.

Pray that the whole situation would glorify God and that we go to them in humility and understanding. Pray also that if it is necessary to correct them, that we'd do it humbly, accurately, and compassionately.

I really need some grace in this area, because I can be really passionate about these things. I very much want them to come back, but I don't want to be pushy and drive them away.

I really appreciate it. Thanks!
