America Is Too Young To Die
By Leonard Ravenhill

Leonard Ravenhill was one of the greatest revivalists of all times and this is one of his greatest works. Ravenhill's book Why Revival Tarries is among the best books ever written on revival. It is destined to become a Christian classic.

Like, Why Revival Tarries, this book calls the church to repentance and revival Out of print and unavailable to the public for decades, Christian Life Books is honored to bring this great work back to print.

Ravenhill's description of a prophet is worth more than the price of the book. All modern-day prophets for profit should read the description of a true prophet.

*note this book is out of print so getting it for this price from this site is good (9.99):

I just realized that this book has just been reprinted by Christian Life Books (January 19, 2005).

Here is a description from the back of the book:
Originally published in 1979, "America Is Too Young to Die," is one of Leonard Ravenhill's best books.

Ravenhill says, "This much is sure: this generation is mesmerized by materialism and tantalized by TV. It is jeopardized by evils no other age has known, and victimized by cruel, malicious propaganda that clouds reality and therefore confuses thinking. The last but not least ingredient of this 'witches brew' is the religious jackanapes, attracting the crowd to his revival jamboree with the lure of miracles, as a cover-up for his itch for gold.

In the foreword, Vance Havner wrote, "His message is the prophetic trumpet blast, not a pep talk at the civic club."

The book contains Ravenhill's description of a prophet. No better or more powerful description of a biblical prophet has ever been written.

After doing abit of digging it appears that this church ministry specifically is the one that has brought this book back from being out of print:

"America Is Too Young To Die is one of Leonard Ravenhill's greatest works. It has been out of print and unavailable for decades. Visit our online bookstore and order it today."

I also noticed that Revival Praying has been reprinted as well.
