Hello community. My name is Aaron. I am blessed to have found sermonindex for the shared wealth of experience and insights into the words of God. I must tell you I am able to share this comment by the grace of God who causes me to stand. how is it I keep standing again? By the word of God. What keeps me from falling or worst yet blaspheming? Understanding the subject more clearly.

I would like to recommend Mr Kenaston's audio sermon Blasphemy to everyone for its sincere address to me personally at a perfect time. Honestly I am a backslidden Christian afraid of failing my Lord and seeking direction to stay in his good grace once again.

The sermon shed light that you too may be needing as I was. I hope you consider it. A servant of Christ. Aaron

P.s. This is the first and may be the last post I make. Please correct me if I have erred. Thanks.
