

Welcome & Intro :: an introduction of me

an introduction of me - posted by dorkyranner (), on: 2005/6/10 18:48

Hello, my name is Sean, and I am obviously new here. I found this website while looking for a place where I can download sermons so I can listen to them on my MP3 player when I run. Though I have not figured out if I can do that here, it is always good to have some Christians to talk to!

Hello Sean,

welcome to SI. What a great idea to play the sermons while you run! Earlier this week we heard of another guy who listens to them on his tractor :-)

There is some great fellowship here, as well as sermons and articles.

Be blessed, Chanin

Hi Sean a warm welcome to you. Like your member name, very *awkward* makes for a nice fit amongst so many peculiar mis-fits here. ;-)

Let us know how we can be of any help here in downloading the messages, would be happy to do so.

Sean

Bless you brother, I am glad the Lord allowed you to find the site. Start with some of the featured messages on the front page, namely a message preached by Paris Reidhead called:
